Objective

Enthusiastic and creative web designer with a passion for designing beautiful and user-friendly websites using HTML, CSS, and JavaScript. Currently learning and enhancing my skills through the Frontend Bootcamp, aiming to create visually stunning designs while implementing advanced features like form validation and interactive elements. Seeking an opportunity to leverage my skills in web design and development to deliver exceptional user experiences.

Skills

- **Web Design Technologies:** HTML, CSS, JavaScript
 - **Web Development:** Frontend Development (HTML5, CSS3, JavaScript)
 - **Form Validation:** JavaScript-based form validation for better user interaction and experience
 - **Responsive Design:** Creating adaptive websites using CSS media queries for multiple devices
 - **UI/UX Design:** Crafting user-centric and visually appealing web layouts
 - **Version Control:** Familiar with Git for version control
 - **Problem Solving:** Excellent problem-solving and troubleshooting skills for complex web design issues
 - **Creativity:** Ability to visualize and implement innovative designs that engage and wow users
-

Education

12th Grade, [G.S.S.S. SCHOOL, GHALOTI]

[Ludhiana, Punjab]

Year of Completion: [2022]

Certifications

- **Frontend Development Bootcamp** - [From Anurag Singh, Md Saddam,]
Date: [01/2025]
Focused on HTML, CSS, JavaScript, and building interactive websites.
-

Projects

1. Personal Portfolio Website

Technologies Used: HTML, CSS, JavaScript

Developed a personal portfolio website to showcase my web design skills and projects. The website features interactive elements, smooth animations, and a user-friendly interface.

2. Interactive Contact Form

Technologies Used: HTML, CSS, JavaScript

Created an interactive and fully functional contact form with client-side validation. Ensured a smooth user experience by providing real-time validation feedback.

3. Responsive Blog Layout

Technologies Used: HTML, CSS

Designed a fully responsive blog layout that adapts to different screen sizes, ensuring users have an optimal reading experience on both desktop and mobile devices.

4. To-Do List Application

Technologies Used: HTML, CSS, JavaScript

Developed a dynamic To-Do list app with interactive features like task addition, deletion, and editing, demonstrating the use of JavaScript for real-time updates.

Experience

Freelance Web Designer

[Career Hut Institute, Karamsar Print Cafe]

Date: [01/2025]

- Designed and developed websites for clients, focusing on creating visually attractive designs with HTML, CSS, and JavaScript.
 - Implemented form validation and ensured websites were responsive and accessible.
 - Provided maintenance and updates for websites as needed.
-

Additional Information

- **Languages:** Fluent in [Punjabi, English, Hindi]
 - **Hobbies:** Web design, graphic design, learning new technologies, exploring creative solutions, reading design blogs
 - **Personality:** A creative, dedicated, and passionate individual who loves to learn and develop new skills.
-
